Dear sir,

We are interested for shifting & Installation and operation of Packing Machine at Our Feeder & Balancing Dairy Patna. Details scope of work are on below.

1. Packing Machine Shifting ;The machine needs to be shifted from the dispatch dock to the packing section.
2. Fabrication of Packing Machine Base Platform; A sturdy base platform needs to be fabricated to securely hold the packing machine.
3. Fabrication of SS Platform for packing Roll changing and Fitting: A stainless steel(SS) platform needs to be fabricated to facilitate easy changing and fitting of the packing rolls in the machine.
4. Fabrication of SS platform for Packing Machine Topman way: Another SS platform needs to be fabricated for the topman's access to the machine.
5. Modification of Existing Ladder: The existing ladder requires modification to ensure safe and efficient access to the machine.
6. Installation of Packing Machine pipeline: The pipeline for the packing machine needs to be installed as per the specifications.
7. Modification of CIP Pipeline and shifting of CIP Pump: The Cleaning -in-place (CIP) pipeline requires modification, and the CIP pump needs to be shifted to a corner to clear the passage.

You are requested to submit your offer latest by 31/08/24.

Thanking you,

Yours Faithfully

Manager(MM)
